Crap, that info is in the very first bullet – read that three times and missed it; fourth times the charm. Sorry.

Thanks, I appreciate this. One bullet that might be worth including in the Regulatory section is **Deliberative Process / Ex. 5**

Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

Still working thru the document. Very interesting.

On Thursday April 7th from 11-12, we are scheduled to brief Dan on the Oregon 303(d) listing determination.

In preparation for this briefing, we (Jill, Rochelle, Cheryl, Lori, Marti, Ben, and Mike) have developed a briefing paper.

Pages 1-2 of the briefing paper will be used to brief Dan.

Pages 3-10 provides a more in-depth discussion of the science and policy issues reflected in pages 1-2.

We would appreciate any comments you have by **COB Friday April 1st**.

If you would like to discuss in-person we can do that also.

Lori/Cheryl: If you want to share with your managers please forward on.

Thanks.
